Class History of the Class of '51

In, September, 1947, we proudly, but shyly, entered the halls of Henryetta High School. We were green Freshmen. Between being afraid of the Seniors biting us and getting our locker and room numbers straight we finally managed to elect our class officers. We chose Carl Bagwell for President and Charles Key for Vice-President. Joan Rork was our Secretary and Treasurer and Dorothy Dunnavant was our Reporter. For their big mouths we elected Pete Rowe and Arylene Henderson our yell leaders. Miss Dutton was our choice for Sponsor. The rest of the year we spent in studying hard, getting used to the new building and new faces, and settling down to four years of high school life. We ended the year by having a wonderful time at a picnic at the lake.

In the fall of 1948 we entered high school for the second time. We were no longer known as green Freshmen but we were full classmen now, Sophomores. We were a wonderful class and we knew it. We knew we must elect only the best officers. The girls fought for women's rights and elected Arylene Henderson as President. For Vice-President we chose Carl Bagwell. Charlene Walling was our secretary and treasurer and Charles Hickman and Mary Ann Prewitt were our yell leaders. Mr. Pugh was chosen our Sponsor. This year was different. We were upper classmen. Some of our boys names appeared on football programs and baseball and basketball lineups. Our girls served at the Junior-Senior Banquet and enjoyed the Pepperettes and other organizations. This year we again had a picnic to end the school term. We played baseball and had a wonderful time. We could hardly wait for the next year when we would be JUNIORS!

Our third year of highschool was full of activities. We were to be responsible for treating the Seniors with a Junior-Senior Banquet. Our problem was to raise the money. We started out by having a rummage sale. We worked all day. Some of us even modeled our merchandise — and looked pretty good in it too. Our very able officers were Don Shane, president; Bob Rodriquez, vice-president; Arylene Henderson, secretary and treasurer; and Pete Rowe and Shirley Wall, yell leaders. Miss Huss was elected our sponsor.

We had a bake sale that went over very well. Then we gave our Junior class play, "Don't Take My Penny", a comedy, which was a tremendous success. And then came the Junior-Senior basketball game and by some miracle we lost it!

Then came May and time for the Junior-Senior Banquet. We were very thrilled and excited. The

banquet carried out an Indian theme. Big Chief Don Shane was our Master of Ceremonies. We had a heap big time and after the banquet we had a Junior-Senior Prom at Teen Town. Later that month we "helped" the Seniors to graduate by decorating the gym and doing odd jobs at Commencement and Baccalaureate services. We were sorry to see the Seniors leave but we were anxious to be next year's SENIORS!

Then came that fateful day in September, 1950, and we were H. H. S.'s highest classmen! We were really going to be busy this year. First of all we chose Carroll Hatfield as President, Bob Rodriquez as vice-president, Dean Brison as secretary and treasurer. Arylene Henderson and Ronald Collett were our yell leaders and Miss Huss was again elected our sponsor.

There were a lot of new faces around this year — Mr. Power, our new warden; Mrs. Gay, our language teacher; Mr. Speer, Mr. Berryhill, Mr. Rezabek, Miss Moorer, and all the rest.

Then came the happy day we chose our rings and announcements. Everyone thought a different ring was prettiest but we finally got together and ordered some.

In December we had our Senior Dinner with decorations, trees, presents, and everything — including a real, live Santa Clause who gave away embarrassing gifts. Some left the dinner red faced, but happy.

But then in January our rings came. You could tell the Seniors by the way they held their arms. Next came the annual Junior-Senior basketball game and this time we won. On April 2 we had OUR day. We had a picnic and went skating and had an all-around good time. Teen town gave us a dance that night. The girls were busy that night — they were getting ready for our Senior Tea which was given by the Twentieth Century Club the next afternoon.

In May the Juniors treated us with a banquet; the Teen Towners treated us with a prom. The banquet was beautiful and the prom was a lot of fun. This was really a busy month. This was probably the last time all of us would ever be together, but few of us had time to think about it. Our caps and gowns came and for the first time we realized we were Seniors. Were we ever a proud and good-looking bunch of Seniors! That week we were very busy — Baccalaureate, Commencement and everything all at once.

Now we proudly, but sadly depart from the old school, leaving behind us a lot of hard work and fun and we hope a lot of pleasant memories.

Prophecy of the Class of '51

As editor of "Who's Who in America" — 1965, I was compiling information for my book when I ran across the names of some of my classmates from the class of '51. They had lived up quite well to their ambitions and I had the honor of putting several of their famous names in my book.

Dolores Averett has become a very efficient accountant. She is working on a new type of income tax collection, reversing the alphabet to letter the forms and eliminating exemptions. Helping her are Dolores Kennedy, Maudie Green, Betty Brice, Thelma Jo Gilpatrick, and Billye Jean Selvidge.

Mr. Franklin Fields, now manager of the HARD-UP GLOBE TODDLERS, has been indicted for basketball bribery. Involved in the case are Don Shane and Jimmy Sullivan who accepted the bribe.

I found Edgar Myers and Bobby Berry residing in Milwaukee. They are now operating the Myers and Berry Brewery and Bottle Co., and have developed a new formula which has brought them millions.

Literary figures of our day are the famous authors Faye Kennedy and Wanda Steele who are on tours giving lectures and reviewing their latest books. Miss Kennedy is the author of I TOOK TO THE DITCH and Miss Steele's book is entitled HOW TO HAVE A WRECK GRACEFULLY.

Wayne Keith is a mortician, and has the leading business in Buryville, Penn. On the side he is operating Keith's Keener Coffin Co. His slogan is 'Try our better layaway plan."

Opal Deane Kerns is a famous pin-up girl. The Army and Navy Favorite Sweater Girl."

Linda Hanna can now be seen in the Broadway production LIFE WITH LINDA. It is from the radio serial which has become so popular in recent years. Co-starring is Peggy Nicholson, who plays the role of the impish little sister who's always heckling boy friends for quarters, and Betty Ann Cain plays the role of the "other woman."

Miss Dean Brison has become famous as one of the most competent members of the staff of Mayo Brothers' Clinic.

Rex Buzan and Ronald Collett are authors of a new book. It is titled, "The Uselessness of the English Language." Mr. Collett will enter Congress in 1966 fighting for abolishment of literature teaching in high schools in America.

Another famous author is Sam Cook who is popular with the teenage readers. His book, "How to Get Out of High School in Six Years" is remaining with the top-sellers of the day. Mr. Cook is teaching history in California.

Ann Campbell is head librarian in the library of Congress with Margarette Shephard as her assistant.

Shirley Wall is the leading attraction in a new night club which

has been constructed just out of Hollywood. It is the largest monument to showdom in the West. The decorating was done by Mrs. Barbara Jean Rowe and Pat Crawford has purchased the establishment. Also working for Mr. Crawford are Clem Hicks, bartender; Frankie Griffin, chef; and Gracealee Shaffer and Marilyn Wesley as cigarette giris. Pete Rowe's orchestra is featured with Bob Rodriquez doing the vocals.

Don Jones and Elinor Bynum are partners in a psychiatry clinic in New York City.

Joan Watzke is a professor of history at O. U. She is doing research on the natural habitat of the cave man.

Mrs. Mary Jean Hudman, first woman jockey to ride in the National Steeple Chase, has retired from public life and has sold her horse, "Know-Nothing" to a glue factory.

Casey Callich is playing the tuba for the Band of America.

Lawana Cunningham, Bessie Edwards, Mrs. Arylene Frew (the former Arylene Henderson), Jackie Livesay, Ann Maylen, Arlene Stanley, and Kenneth Thompson are all taking advantage of Mr. Hart's early retirement plan.

Jewell Shandy is teaching bookkeeping at St. Michaels and Gertrude Williams has replaced Mr. Speer as Senior English teacher at Henryetta High School. The aging Mr. Speer decided that it was easier to wrestle with electronics than Henryetta High School football players.

Don Chisum has entered the Indianapolis hot rod races. His manager, James Parker, states that Chisum stands a good chance of winning.

Evelyn Litle and Mrs. Dorothy Kennedy are both nurses at Resthaven. Mrs. Kennedy had as a recent patient her husband, Paul, who is a famous singer.

The former Miss Dorothy Dunnavant who has been working as secretary for her husband Bill Lavendusky, accountant, has quit her job to devote her entire time to caring for their triplets and three other children.

Doctor Carroll Hatfield, the noted scientist and inventor whose synthetic phosphorus match brought him the Nobel prize last year, is now deeply engrossed in the development of a simplified slide rule.
